Tax ID # 11843690-022*

Dear Music Supporter,

This past school year marked an award-winning season for the Farmington High School band program. In only our second year, the marching band became the 2019 5A state champions! Our Wind Ensemble was invited to perform at the annual Utah Music Educators Association conference and established themselves as one of the premier bands in the state.

Our goal is to become a nationally recognized program—one that our community and school can rally around and be proud of—and we are well on our way!

In order for us to reach our goal, we are urgently in need of equipment and supplies. Some of these needs include a small trailer that our various band groups can use to carry equipment to competitions throughout the year, a storage shed for equipment and show props, travel and competition expenses, meals for the student performers during training and competition, and to offset the many future growth expenses of our successful program.

To make these purchases possible, we are looking for individuals and companies to become official sponsors of the band program. In return for your support, we want to help you as well! Your sponsorship can directly benefit you/your company through advertising on our website, social media, and at many of our band events and concerts. We also offer banner advertising and/or your company logo or name displayed on one or both of our band trailers.

A full range of sponsorship options are included with this letter. Please review these different sponsorship levels and decide what works best for you and/or your organization. All donations can be tax-deductible, and we can provide the necessary documentation that your organization requires. We also welcome any products, gift cards, baskets, or other items your organization would like to donate.

If you have any questions, please feel free to contact me directly. Thank you for supporting music and the band program at Farmington High School!

Musically,

Brek C. Mangelson  
Director of Bands
